This publication can be made available in alternative formats upon request. Please call 651-296-6753 (voice); or the Minnesota State Relay Service at 1-800-627-3529 (TTY) for assistance. Summaries are also available on our website at: www.house.mn/hrd.

This bill amends the definition of “fleet” in the section governing international registration plan (IRP) registration to include a single vehicle or two vehicles designated by the vehicle owner. Under current law, this is allowable on a state-by-state basis.

IRP is a system that allows for registration of certain larger commercial motor vehicles in a home state and apportionment of registration taxes and fees proportionally across the states in which the vehicle travels.
